OREGON AFL-CIO & LERC Annual Summer School!

July 19-21, 2024

We are excited to be back together for this year's Summer School, sponsored by the Oregon AFL-CIO and the Labor Education and Research Center, hosted on the University of Oregon campus in Eugene.

Whether you are a new steward or a seasoned union leader, Summer School has something for you. Join us for a weekend of education, discussion and socializing with 100+ other union members from across the state. Summer School gives you the opportunity to meet and mingle with your union siblings and gain new skills to bring back to your union.
